# 2018

## "GET READY TO GAME"

**June 11th - 15th 9:00am -12:00pm**

Have you ever wanted to program your own video game? Join this camp for a fun-filled week of creating your own interactive games using Scratch, Bitsbox, and other applications. You will learn basic video game coding concepts by making different types of games, including racing, platform, launching, and more. If you don't know Scratch, that's okay. Come to learn, create, share and play!

## "COOKING AROUND THE WORLD"

**June 11th - 15th 1:00pm - 4:00pm**

Cooking Round the World is the juncture where cultural exploration meets culinary arts! Mrs. Stoll is the art teacher at Lincoln Lutheran, but few know she has traveled the world and is a secret food junkie! She is excited to share foods and recipes that she has eaten from around the world!

## "WRITE ON"

**June 18th - 22nd 9:00am - 12:00pm**

Write On! - A writing camp for those who love to create stories, have wild imaginations, and really enjoy expressing their thoughts and ideas through words. Join us as we explore a variety of writing styles, hone our skills, and share our experiences with each other!

# Discovery

## "ENGINEERING ADVENTURE"

**June 18th - 22nd 1:00pm - 4:00pm**

Grab your passport girls and boys while we get ready for an "Engineering Adventure!" This adventure will familiarize participants with the Engineering Design Process, provide hands-on engineering challenges, and will culminate with a Recycled Racer Rally that showcases the toy race cars they will engineer out of recycled materials. This is one fun-filled, problem solving adventure you will not want to miss!

## "ARTISTIC ANIMALS"

**July 9th - 13th 1:00pm - 4:00pm**

In this exciting art camp students will get to look at animals in a new unique way. Campers will learn about Elephants from Africa, Lemurs from Madagascar, strange underwater sea creatures and much more. Learn about animals while you're makin' art and havin' fun. Students will get to paint Panda bears with bamboo brushes, sculpt an endangered species out of clay, design a rainforest habitat, paint an African sunset, and much more.

## "GLAZED OVER"

**July 9th - 13th 1:00pm - 4:00pm**

Glazed over is your rain-proof, heat-proof, boredom-proof destination for summer fun! Kids love ceramics! In this amazing art camp we will focus solely on the glazing process of ceramics. Two of the themes will be, "Beach Bound", a taste of the beach as we paint surf boards & tropical fish. It's gonna be a peachy beach-y time! And "Woodland Wonders", an adventure into the enchanted forest! We'll paint mystical gnomes, a mushroom house, and lots of other curious creatures!

**ALL CAMPERS  
SHOULD BE ENTERING  
3rd - 6th GRADES**

# Summer Camps

## "SCIENCE: IT'S WHAT MATTERS!"

**July 9th - 13th 9:00am - 12:00pm**

Join us for a week of science skill-building and problem solving! We will explore measurement, graphing, and the scientific method before putting them to test. Our focus will be physics (motion and forces) and chemistry (properties of matter and chemical reactions). Kids will have many hands-on opportunities as we investigate the world around us!

## "EXPRESS YOURSELF"

**July 9th - 13th 1:00pm - 4:00pm**

Instead of sitting on our devices and consuming...let's be the ones creating!!! At Express Yourself Camp, campers will spend the week participating in a wide variety of games and activities focused on discovering and expanding their God-given talents of communication and drama! The week will end with a performance for our parents and friends.

## "MUSIC DISCOVERY CAMP I"

**July 16th - 20th 9:00am - 12:00pm**

Grades 3-6 will learn new ways to perform, understand, and appreciate music through a variety of games and activities. Students will experience music through instruments, singing and technology all led by Michael Werner, Joshua Weishaar and a variety of general music teachers. A performance of will be held on Friday, July 20th to showcase these talents.

## "MUSIC DISCOVERY CAMP II"

**July 16th - 20th 1:00pm - 4:00pm**

Grades 3-6 will continue the activities from the morning along with perusing a personal music area. Students will receive one on one attention learning an instrument, preparing a solo, or creating a music composition project. These talents will also be showcased in the performance on Friday, July 20th. (6th grade students who have taken one year of band are encouraged to bring their instrument)
